GEORGE'S LOVE TEST.

And Why Pink-Eared Myrtle Redin-

blush of maiden modesty flamed for an instant across her pure young face and disappeared silently behind the pink ears that stood like pigmy entinels on a battlement of resented flesh, soft and warm, and with autiful curves whose dimpled outes would have made even an anrite resign. George had been ing her that beautiful story of the ncess of olden times, who when er lover was stricken down by a oned arrow, knelt by his side, with her own ruby lips drew n the wound the fatal element. nen he had finished the girl gave rance to the words with which chapter opens. And then, for instant, silence fell between them George was the first to speak. "If were wounded by a poisoned arrow,

aring, would you emulate the ex inple of the princess?" The girl's form shook with a suden tremor, and her head fell upon shirt front. "I could not do it," she sobbed

nigh her tears. Why not?" said George. "Do not press me for an answer,"

hed the girl. "But I must know," he said, in low, onized tones.

"Then," she murmured, pressing im still more closely to her, "you re from Kentucky, and I do not care catch the desirium tremens."

Chicago Tribune.

"How she must have loved him."
As Myrtle Redingote spoke these words softly to George W. Simpson with the passenger train and driven them off the track.

The passenger train and the perfection without the foregoing system of organized companies, yet it is verifably true that there are numbers of politici as and newspaper editors who are making a vigorous warfare upon railroads and other corporate bodies, calling them railroad true that there are numbers of politici ns and newspaper editors who are making a nor beautiful? With all his knowlvigorous warfare upon railroads and other corporate bodies, calling them railroad kings, bloated bondholders, monied rings classes against the wealthier classes of the country. Newspaper editors and politicians tion and worship. They will not dewho thus excite and poison the public mind against capitalists who are the public benefactors of the country, criminally retard the progress of our national greatness, and prejudice the minds of millions of innocent him and contemplate the symphonic people against their best interest. Such training and teaching has a tendency to with tuem. While we sympathize generate a solid system of communism, and engender the worst state of feelings against the government, such as the nihilist of Russia entertain against their government.

To thus make a formidable international foe against capitalists tends to destroy the kindly fraternal feelings of the people nec-essary to conduce to the best interests and happiness of the nation. Politicians, in of personal revenge, as we recall the their blind zeal to gain party advantages, manner in which the victim has held assail the bondholders as if they were the common enemy of the country. Railroad companies are likewise maligned, and all corporate bodies of wealth fall into the same category, all of which brings about a state of dissatisfaction which engenders "strikes" and "secret orders," which antag-

paizes capital, and which throws men out of employment and frequently into jail. Talent, enterprise and capital should not be rewarded with infectives and calumny, such as are applied to the best business W. H. D. Monroe County. men of the nation.
